Rambo Rambo Rambo sind eine dreiköpfige Sludge-Beat Rockband aus Wien.

Seit ihrer Gründung 2011 und der darauffolgenden Veröffentlichung der „EP n°1“ im Jahre 2012 singen und stampfen sie sich durch die österreichische Alternativ-Szene.

Rambo Rambo Rambo haben Wiedererkennungswert. Sie schränken sich jedoch nie stilistisch ein, vielmehr werden sämtliche Genres und Musikstile zur Formung der eigenen Sprache verwendet.

Ihr neuestes Album „Funfest“ legt rauere Töne an den Tag. Mehrstimmige Gesänge tragen durch kompakte Lieder, es wird gebrettert und gebalkt.

Rambo Rambo Rambo are a three piece sludge-beat rockband hailing from Vienna, Austria. Since their emergence in 2011 and a rapid release of their EP no.1 in 2012 they've been polyphonically singing and dashing their way through the Viennese alternative music scene.

Even though Rambo Rambo Rambo have managed to establish a distinct sound they don't restrain themselves from further utilizing various styles to shape their music.
